Hi, I'm Gayle Moir, the child protection officer for Alton Hockey Club. I've been with the club for over 10 years and I currently play in the ladies 1st XI. I have 2 young children so I know how important it is from a parents point of view to have confidence that any club is doing all it can to protect children and promote health and welfare.

You can talk to me if you have any questions or concerns about your child's participation in hockey. It's my job to advise the committee if there are aspects of child protection upon which the club can improve, and to liaise with England Hockey's Safeguarding team for advice on best practice. All concerns will be taken seriously.

Alton Hockey Club adopts England Hockey's Safeguarding and Protecting Young People in Hockey Policy, Procedures and Guidance to ensure all those in the hockey family have a safe and positive experience.
